BPUT Examination Guidelines

1. Eligibility

Students must have a minimum 75% attendance in each subject to be eligible for the end-semester examination. Students with 65–75% may apply for condonation with medical certificate. Below 65% requires the Principal's special approval; typically denied except in extraordinary circumstances.

2. Hall Tickets

Hall tickets are available on the student portal 10 days before the exam. Students must verify their name, roll number, and subjects. Discrepancies must be reported to the Exam Cell within 3 days.

3. Exam Pattern

Mid-semester exams: 30 marks (20 internal + 10 quiz). End-semester exams: 70 marks. Practical exams are conducted separately. Pass criteria: minimum 40% in each component with an aggregate of 50%.

4. Malpractice

Use of unfair means during exams results in immediate invalidation of the paper and suspension of the student for the current semester. Repeat offenses may lead to a 1-year ban.

5. Re-evaluation

Students may apply for re-evaluation within 15 days of result declaration, with a fee of ■500 per subject. Re-evaluation is limited to theory papers. Re-checking of totals is free and available within 7 days of result declaration.

6. Backlogs

Students with backlogs must clear them within the stipulated duration (typically 2 years). Special supplementary exams are conducted every semester. Grade improvement is allowed once.
